

Pack 50 – Father & Son Cake Bake Rules

This is a charitable Fundraiser

1. 100% of proceeds will go directly to PADS Lake County. PADS provides assistance to individuals and families experiencing homelessness throughout all of Lake County. PADS is the only program in Lake County that provides emergency shelter in summer, enables families to stay together, takes in single fathers with children, and provides housing for chronically homeless individuals with severe mental illnesses and/or substance abuse issues.
2. We also get the opportunity to teach our bake how to bake, design, and decorate and cake, how to take responsibility for cleaning up after cooking, and to break the stereotype that men can't/don't bake.

Theme: Decorate a cake based on one of the following themes:

- Animals
- Patriotic/Scouting (Ideas: den-specific, camping, leave no trace, Pinewood derby, etc)
- Sports
- Food
- Toys/Electronics/Video Games (Ideas: characters, controllers, etc)
